

Metropolitan Garage offers a 12 month 12,000 mile (12/12) warranty on all new parts we supply, sell and install.

In addition, as a Napa AutoCare Center, our work is backed by the 36/36 limited warranty through the AutoCare network. All work must be pre- approved and is subject to limitations of the warranty.

NAPA AutoCare warranty can be reached at 1-800-452-6272.

In all warranty cases, there are clear customer responsibilities. These include, but are not limited to ensuring the engine and other components are properly cooled and lubricated at all times. Failure of components due to improper use, lubrication, or cooling voids, all warranties. It is the customer's responsibility to be aware of leaks, to perform needed maintenance, and to refrain from operating a vehicle without manufacturer-recommended lubrication and cooling.
